Dear Mr. Hedding:

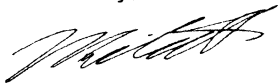

Congratulations! Granite Construction was selected to receive an Environmental Recognition Award for providing leadership toward the protection and enhancement of the environment in the greater Sacramento community.

As you may be aware, the Sacramento Environmental Commission (SEC) developed the annual Environmental Recognition Award program to recognize individuals and organizations within the Sacramento community that have either voluntarily exceeded environmental regulatory requirements, or provided leadership toward the protection and enhancement of the environment in the greater Sacramento community.

We would like to acknowledge your selection at the televised SEC meeting scheduled for Monday, April 30, 2007 at 6:30 p.m. in the Board of Supervisors' Chambers, 700 H Street, Room 1450, Sacramento. Your selection will also be acknowledged during a Board of Supervisors' meeting, date and time to be provided at a later date.

Please contact Karen Nelson, SEC Secretary, at 875-8584 as soon as possible to confirm your participation at the April 30<sup>th</sup> meeting. You are welcome to prepare an acceptance statement but, due to time constraints, we ask that the statement be kept under two minutes in length.

Sincerely,

Mike Fallon  
Chair
